* Must have an extra dose if the final dose was administered before the 4th birthday.

All students are required to have the immunizations necessary for their age and in accordance with their pediatrician's recommendations and documentation of same is to be provided to the clinic by August 15, 2012. Your pediatrician may prescribe a different number of immunizations or a different immunization schedule. Alternatively, you may choose for religious or personal reasons not to have your child immunized. Please have your child's pediatrician note the expiration date of any temporary exemption from immunization on the HD680 form. Be sure that the form has been signed by the pediatrician. You may bring the form to the Lower School Office or mail it to LHPS, Attention: Clinic.
