Lake Highland Preparatory School is a co-educational independent day school for students in grades PK through 12. Our two campuses on 42 acres are centrally located near downtown Orlando. Founded in 1970, the school attracts a diverse student population from the metropolitan area and surrounding counties. The lakefront main campus is home to our Upper and Lower Schools. The Charles Clayton Middle School Campus, five blocks away, provides students in grades 7 and 8 with their own dynamic atmosphere.

The exceptional facilities on both campuses include advanced technology in all classrooms, including Webcasts and laptops, interactive TV panels, science labs, a state-of-the-art performing arts center, acres of athletic fields, courts, an Olympic swimming complex, and fitness center. The school’s current enrollment is 1,947 students (760 students in grades 9–12) with 239 full-time faculty, including 120 with advanced degrees.

Our mission statement provides the foundation for the Lake Highland community:

Within an atmosphere of love, concern, and mutual respect, Lake Highland Preparatory School is committed to instilling Christian values, inspiring patriotism, developing leaders, and preparing students for college and lifelong learning through academically challenging programs and affirming competitive experiences.

The comprehensive and challenging curriculum helps develop critical and creative thinkers with a sincere passion for learning. Our centers of excellence encourage students to explore their gifts and further enrich their education. The Advanced Studies in Science and Research Program (ASPIRE) offers students with a keen interest in science the opportunities to pursue original scientific research. Students spend a minimum of three hours per week in a research laboratory working with a PhD or MD on advanced research projects. The Rossman Writing Center and Key instructional Leadership Team (KILT) provide mentoring experiences for upperclassmen that foster leadership, service, responsibility, and an in-depth intellectual interest in an academic subject. Outdoor Odyssey Leadership Academy is a one-week summer program in the mountains of Pennsylvania designed with activities to inspire teamwork, selflessness, character, and to develop impactful leaders. The Merit Studies Program challenges academically talented students to pursue a rigorous course selection throughout high school. Merit Studies students must enroll in three or more honors level classes each semester, complete three years in the same classical or modern language, and achieve four AP® credits. Students must maintain a 3.7 weighted grade point average to continue in the program.

HIGHLANDER HONOR CODE

Each Highlander is a unique child of God, whose actions are based upon these fundamental beliefs: A Highlander’s word is the truth. A Highlander’s work is completely his or her own. A Highlander respects the rights, feelings, and property of others.
