This year, along with honoring all veterans, we will turn a special focus light on WWII veterans, and an opportunity to give them an amazing gift from our school. Honor Flight is a non-profit organization created solely to honor America’s veterans. They arrange for thousands of our beloved veterans to travel to Washington D.C. to see the memorials that were created for them. Due to medical challenges or lack of finances, these veterans would not have been able to make the trip to experience our nation’s tribute to their spirit, their commitment, and their sacrifice. Based on recent statistics, we are losing World War II veterans at the rate of approximately 1,000 per day. Honor Flight Network will continue do whatever it takes to fulfill the dreams of our veterans and help our senior heroes travel absolutely free. Donations from our school will help fund the inaugural flights of the newly established Central Florida Hub of Honor Flight. These flights will transport veterans from Orange County!

Please encourage your students to support this wonderful organization!
