LHP Continuous Enrollment FAQs

LHP is transitioning to Continuous Enrollment beginning with the 2020-2021 school year to simplify the re-enrollment process for our families.

1. What is Continuous Enrollment?

With Continuous Enrollment, your student(s) will be continuously enrolled at LHP with no more annual re-enrollment contracts necessary!

2. How will Continuous Enrollment be different for me as a parent?

Continuous Enrollment streamlines the process of re-enrollment for families by automatically enrolling the student(s) year after year.

Year 1: 2020-2021
LHP will send you an email on January 6, 2020 with instructions on accessing your Continuous Enrollment contract as in years past. Complete the Continuous Enrollment contract in three easy steps:

- Select your tuition payment plan
- Remit the tuition deposit via our preferred payment methods of electronic check or credit card
- Electronically sign your contract

Year 2: 2021-2022 and beyond
Your students are continuously enrolled and no re-enrollment contract is needed. You will only need to remit payment for the tuition deposit each January to secure your student(s) place for the next school year.

When necessary, LHP will notify families in December of potential tuition increases, changes to student(s) technology requirements and/or amendments to the contract.

3. If I sign the Continuous Enrollment contract, am I committed through 12th grade?

It is an honor to partner with you in the education of your children and we look forward to their graduation from LHP. However, if your family plans change and you wish to end your Continuous Enrollment contract, you will have the opportunity to notify the LHP Admission Office in writing by January 31st.

4. What if I find that my student(s) is not returning after January 31st?

We understand that sometimes changes to family plans are necessary. Once our Admission Office receives written notification that you wish to end your Continuous Enrollment contract, LHP will release you from your contract, although the tuition deposit
may not be refundable as outlined in the contract. This is consistent with prior procedures and contracts.

5. **Does Continuous Enrollment apply to students receiving financial aid?**

Yes, all families must electronically sign the Continuous Enrollment contract. Families must also apply for need-based financial aid through FAST each year. Families finding their financial aid award insufficient to meet their needs will be released from the contract.

6. **Can I change my payment plan each year?**

Yes. Families may request to switch tuition payment plans by providing written notice to the LHP Business Office prior to June 1st.

7. **What if I already know our students will be withdrawing for the 2020-2021 school year?**

Please contact our Admission team; they are here to assist you with the process.

8. **Additional questions?**
