April 24, 2020

Dear Lake Highland Families,

Next Tuesday, April 28th, you are invited to attend the annual President’s State of the School Address. This year, our presentation will take place virtually on a Zoom Webinar at 9:00 a.m. Please access the invitation to our webinar by clicking on the link: https://lhps.zoom.us/j/99189746778. For anyone unable to attend, or simply wishing to review our live presentation, we will post a link to the recorded address on the LHPS website later that day.

I am looking forward to sharing with you our annual end-year presentation, including a short message from our LHPA President, and other particular highlights from the 2019-2020 school year. Furthermore, I will share some thoughts on future challenges, opportunities, learning methodologies, and schedule considerations as we proceed in this uncertain and fast-changing environment caused by the COVID-19 pandemic. We will conclude the presentation with a brief question/answer session focused on community-wide issues versus individual concerns that can be more appropriately answered via a private email or phone call.

Finally, you should know that vital learning and infrastructure improvements are ongoing for both campuses, and they are paving the way for LHPS to remain the premier school in central Florida and beyond. Additionally, we are attentively pursuing both existing and refined strategic initiatives to best position LHPS for serving and developing outstanding young scholars, leaders, and citizens in the coming years.

Although the world, our nation, our community, and our sense of normalcy has changed dramatically in the past two months, I am totally confident in our future as we enter our 50th year of service. I remain incredibly honored to be a part of our amazing Lake Highland family, and exceedingly grateful for our students, employees, family members, alums, and community friends who are exhibiting the courage, character, and effort described in one of my favorite quotes:

“Let your dreams be bigger than your fears, your actions louder than your words, and your faith stronger than your feelings!”

Have a wonderful weekend, and I hope to see you next Tuesday morning!

Warmest regards,

Alfred G. Harms, Jr.
